

Averell Damson Gin Liqueur

Naturally flavored and colored with tart, bitter-sweet Damson plums from New York. Damsons are blended with small-batch American gin in the tradition of gin “cups” for simple mixing.

- Damson plums have become rare compared to sweeter cultivated varieties
 - Mix over ice with bitter lemon soda or ginger beer, or in a classic sour topped with soda
 - Lends dried fruit and sweet spice notes to stirred drinks
-

CAYUGA CUP

Build over ice:

2 oz **Averell Damson Gin**

3 oz gingerale, lemon soda, orange soda or lime soda
