

Hayman's London Dry Gin

The only London dry gin that emphasizes citrus, while still maintaining the full proof and spicy midpalate of classic dry gin. This combination makes the gin exceptionally versatile for mixing refreshing stirred or shaken cocktails.

- ❖ A classic Martini gin—add dry vermouth and orange bitters for a complex, herbal version
- ❖ Works well with spicier tonics
- ❖ The Hayman family has been making gin in Greater London since 1863

Fitty-Fitty

Stir over ice:

- 1.5 oz Hayman's London Dry Gin
- 1.5 oz dry vermouth
- 2 dashes orange bitters

Strain into a coupe and garnish with lemon peel
