

# Hayman's Vibrant Citrus Gin

Rich juniper backbone complemented by the vivid aromas and flavors of distilled citrus: mandarin, pomelo, kumquat and Persian lime. Adds zest to a Martini, Gin and Tonic or Gin and Soda.

- The first gin distiller in London to use citrus as a key botanical 150 years ago.
- Depth and brightness from distilling the sun-dried fruit peels alongside the 10 Hayman's botanicals.
